

Peter's Basket

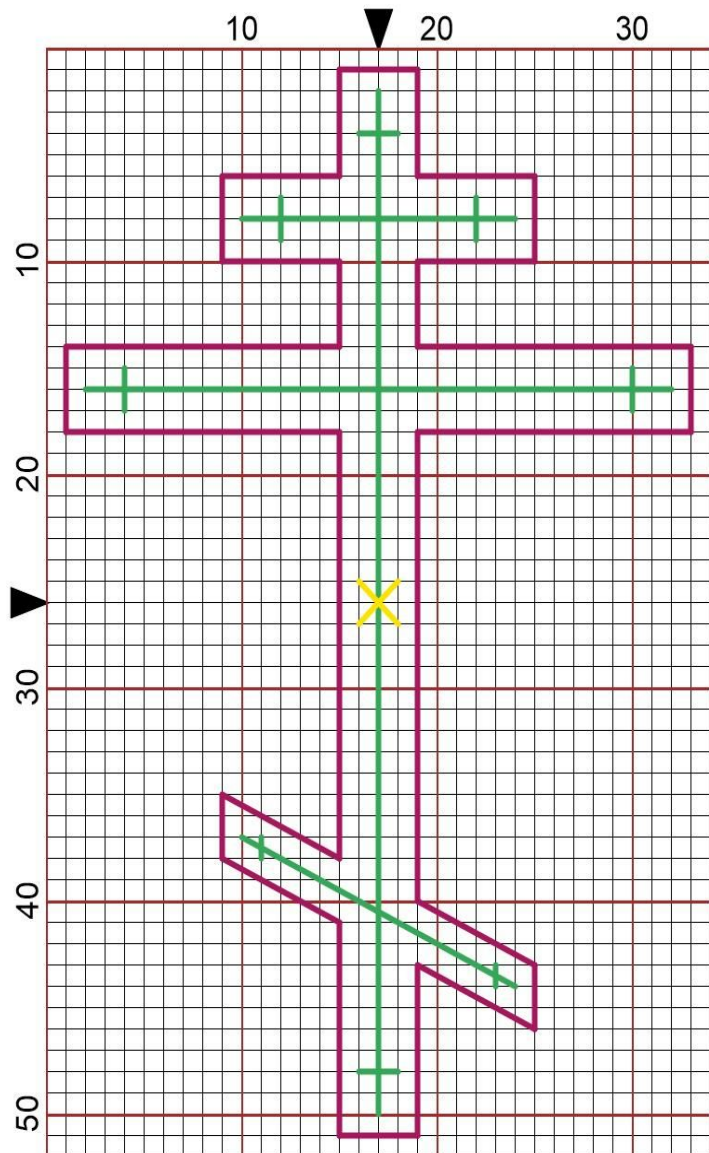

from Practical Blackwork

Peter's Basket is an original design, inspired by traditional Ukrainian embroidery motifs. It is designed to be worked in back or double-running stitches over 2 threads on evenweave fabric. Each square represents one stitch.

This design can be worked quickly in colors of the stitcher's choice. Center the cross (at right) on your fabric - the yellow X marks the center of the cross chart - then place the corner design (next page) as needed.

Stitch Count, cross- 32w x 50h
(about 2.5" x 3.75" on 28-count fabric)

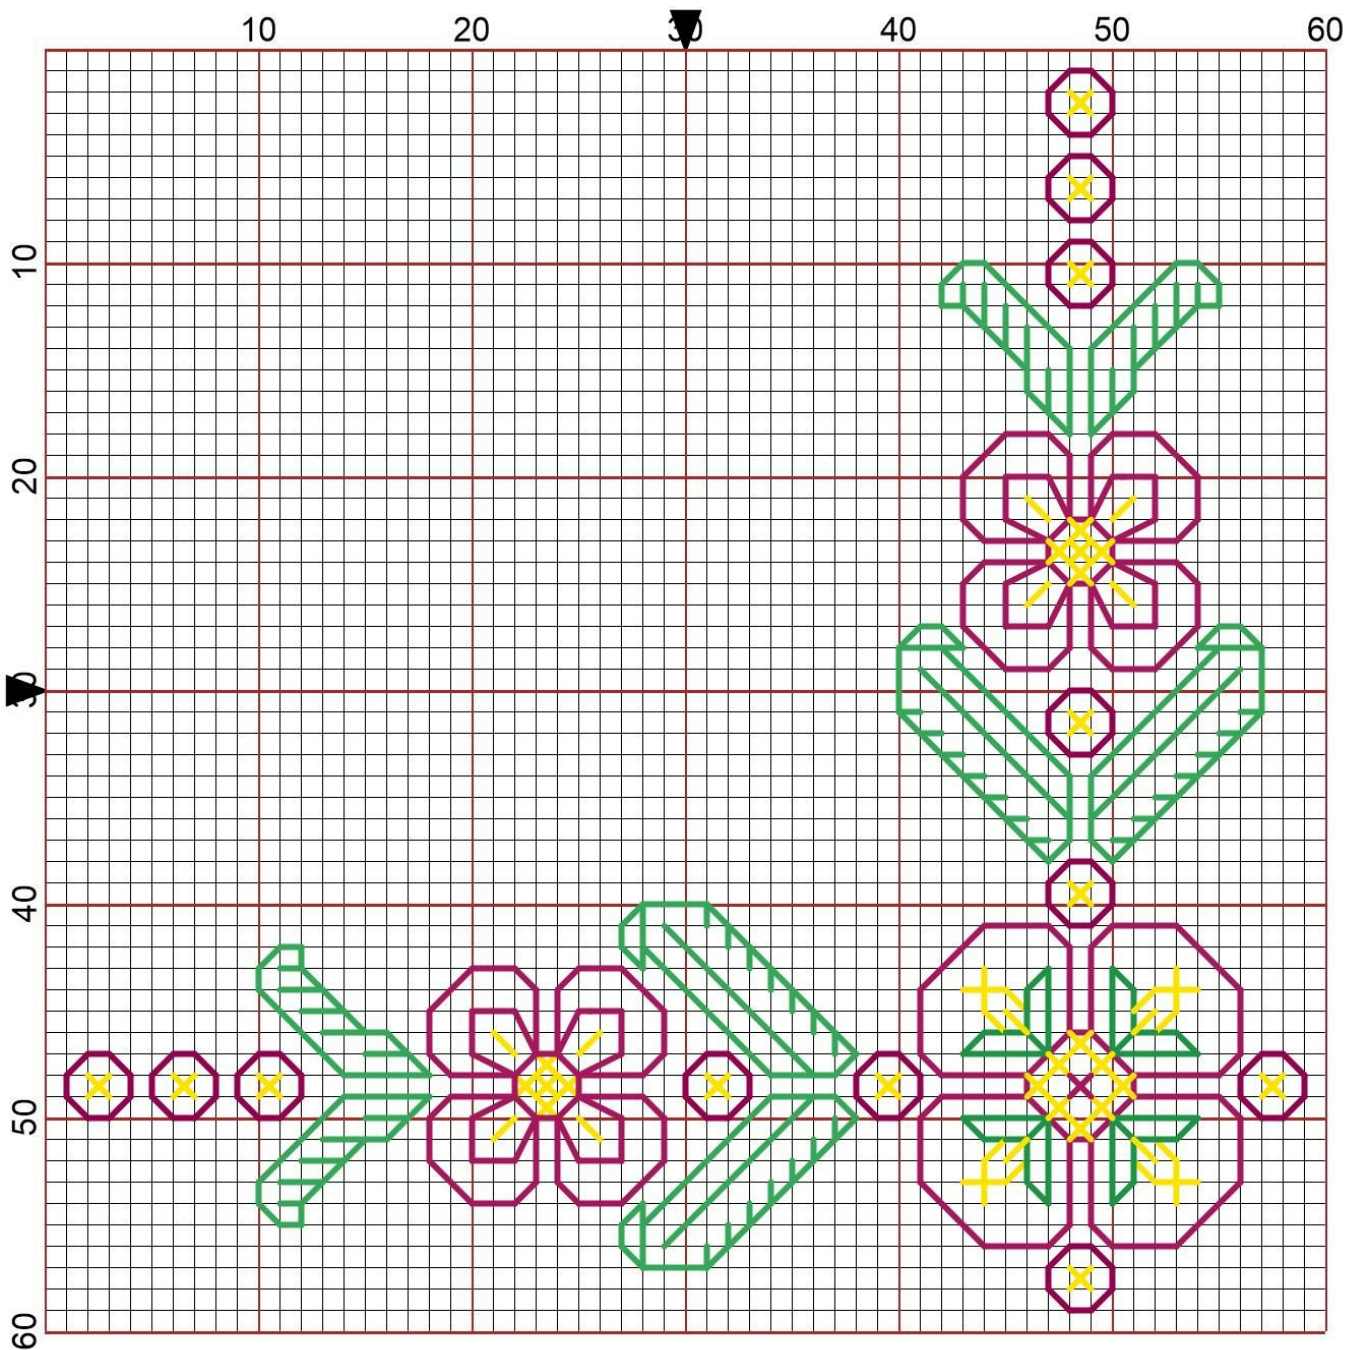

Stitch Count, corner -58 x 58sq
(about 4.3"sq on 28-count fabric)
